6 In a letter dated the 12th June 1942 Mr. C.S. Krishnaswamy Iyengar, Advocate, Mysore, complained to the Dewan that there was inordinate delay in the Forest Department in regard to the payment of bonus for sandal trees removed from his lands at Bhogwal Wodeyanpur, Nanjangud Taluk. This letter was sent to the General Secretary for a note. He called for a report from the Chief Conservator of Forests. Mr. Krishnaswamy Iyengar has sent reminders on 13th July 1942 and 26th July 1942. The Chief Conservator's report has not yet been received in the Secretariat.

7 Mr. Jabbar told me that as there is some doubt regarding the title of Mr. Krishnaswamy Iyengar to the ^{lent} bonus, payment has not yet been made to him, that the money would be deposited in court and Mr. Krishnaswamy Iyengar asked to establish his claim to it, and that he ^{wants} to send a report to Government very soon.

8 May the General Secretary be requested to send an ^{interim} reply to Mr. Krishnaswamy Iyengar?

Sir,

I addressed a petition to you nearly three months back complaining about the inordinate delay of the Chief Conservator of Forests in Bangalore in not paying me the sandal bonus amount due for the sandal trees removed from my lands nearly two and a half years ago and wrote several reminders thereafter. The only response I had was a letter from the General and Revenue Secretary nearly a month back, stating that steps were being taken to expedite matters. There the matter appears to have stopped.

I addressed my complaint to you after getting thoroughly disgusted with the routine replies and delays of the subordinate officials, hoping that things would move more satisfactorily when the head of the Government was approached. The facts given by me were pretty serious affecting the fair name of the administration itself and yet the official machinery seems to be too difficult to be moved. Is it something like the suits in the Old Chancery Courts of England, one wonders.

Yours faithfully,

C. S. Krishnaswamy Iyengar

The Chief Secretary to the Government of Mysore,

Certain dead sandal trees from my lands at Bhogwal Wodeyanpur, Nanjangud taluq were removed by the Mysore forest office in February 1941 without paying me the bonus due therefor, and as the payment had to be made only after sanction by the chief conservator of forests in Mysore, Bangalore as per rules, the matter is being held up there for over a year and a half. Any number of reminders by me has been of no avail and I am no nearer getting my money than I was a year and a half back. I approached the Dewan and the General and Revenue secretary for payment without any success. In the circumstances, the only course open to me is to resort to legal proceedings after due notice to you. May I appeal to you to settle my claim without the necessity of resorting to this course. for which act of justice I shall ever remain grateful.

Yours respectfully.

11 JUNE 1943

Regarding the payment of Sandal Bonus due for the Sandal trees removed by the District Forest Officer, Mysore, in February 1939 and subsequently.

It is now more than 4 years since the dead sandal trees were removed from my lands at Bhogwal Wodeyanpur, Hullalli Hobli, Nanjangud Taluk, by the Range Forest officer, Hedeyal, and I have not received the bonus due. I complained against the inordinate delay to you last year and got an assurance that the matter would be settled as early as possible. The chief Conservator of Forests reported to you in explanation of the delay, that it was not necessary to ascertain the tenure under which the lands were originally alienated by the Government about a 100 years ago, and that until that was ascertained, the payment could not be made. I wonder if this enquiry about the tenure should take so long to make. Is there no reasonable limit for ascertaining these simple matters, with the greatest margin for the usual official delays even. There seems to be no hope of the matter being settled at all at the rate things are moving.

May I request you to be good enough to settle the matter one way or the other early and oblige,

Yours faithfully,

C.S. Krishnaswamy
Iyengar.

GENERAL SECRETARY,
3 NOV 1943

71-

The District Forest Officer in Mysore removed through the Range Forest Officer at Hedeyal Range, certain dead sandal trees from my lands at Bhogwal Wodeyanpur, Nanjangud taluk and at Yedivinahalli village, Gundulpet taluk, in February 1939, that is nearly four and a half years ago, in respect of which the bonus due to me is still to be paid.

(44) I complained against this inordinate delay in settling my claim for the bonus due to the Chief Conservator of Forests in Bangalore, to the Revenue and General Secretary, and finally to you a year ago, for all of which I received the uniform reply that the matter would be expedited and that my claim would be settled after getting some information from the Deputy Commissioner in Mysore regarding the tenure under which the lands were originally alienated by the Government, probably to ascertain if any reservation was made by the Government regarding the sandal trees standing on the lands. The reference was made to the Deputy Commissioner Mysore District a year ago, and in spite of all my applications and reminders to the District Forest Officer in Mysore, the matter has not proceeded any further.

(45) We are poor and humble subjects of His Highness who do not often get even a day's grace to pay our dues to the Government, and when it is a case of the Government having to make payments, even delay of years does not seem to count. The rules framed by the Government in regard to the payment of the bonus due to the ryots states that every question should be settled before the trees are removed and the bonus should be paid before the trees are removed from the lands, and this is an actual case as to how the rules are worked out in actual practice by even high officials of state. I have been writing to everybody about this during all these years and getting routine official replies, which form a beautiful file to look at, bearing artistic letter heads and elaborate reference numbers, and that is about the best satisfaction I am having for all my pains.

May I hope for bare justice and a disposal of the question either way at least this time?

I have the honor to remain,
Sir,
Yours faithfully,

C. S. Krishnaswamy

Sir,

I wrote to you on the 12th of last month that the Chief Conservator of Forests in Mysore, Bangalore, had failed to settle the bonus amount due to me in respect of the sandal trees removed from my lands nearly a year and a half ago. that any number of reminders from me failed to elicit any response from him, and praying for speedy relief. I sent you a reminder also on the 13th of this month. I have not received any communication from you so far.

The Government does not wait even for a few days if the kadayam due to it is delayed by the ryot, and coercive proceedings are at once instituted against the defaulting ryot. I am paying an assessment of Rs.800/- per year to the Government in respect of these very lands and the revenue department sees to it that the kadayam is always recovered some months in advance rather than some months later. But where it is a question of the Government having to pay to the ryot I suppose the delay by a few years is not of much consequence. Everything seems to be an official routine without any human element about it.

May I hope that at least this reminder will have a response.

I beg to remain, Sir,

Yours most respectfully,

C.S. Krishnaswamy Iyengar

Sir,

I have to thank you for your kind D. O. No. A F 747/Ft 2-41-127 dated the 1st instant. It is now a fortnight since I received the said communication. My complaint was against the inordinate delay of the forest department in settling the sandal bonus due to me and the complaint was made 2 months ago. The question is really a very simple one, as the only point to be considered is. who is the owner or occupier of the lands from which the sandal trees were removed and to whom the bonus has to be paid. In this case I happen to be both the owner and the occupier and have been receiving the sandal bonus during the previous years. If the forest department had any more real and genuine doubts about the tenure, they have had nearly 2 years now to have settled it one way or the other.

It has been the general impression of the public hitherto that whatever delays or injustices may be caused in the subordinate departments, the matter will be settled quickly when the Government is approached, and this was my hope when I sent up my complaint to the Government more than 2 months ago. As I have been going on sending up reminder after reminder once every fortnight with no better prospect of an early settlement I have begun to wonder if all departments are the same. Let me hope for the best.

Yours faithfully,

GENERAL SECRETARY
18 AUG 1942
71-7

Sir,

Petition of Mr. C.S. Krishnaswamy Iyengar, B.A. B.L.,
Advocate Lansdown Bazaar, Mysore, regarding the
alleged delay in the payment of sandal bonus
due to him.

With reference to your letter No. A.F. 6871-Ft: 2-41 -
117 dated the 17th ^{June 1942} ~~ultimo~~, forwarding the above petition and
calling for a detailed report, I have the honour to state
as follows:-

Mr. C.S. Krishnaswami Iyengar, the petitioner, first
applied for the declaration of the area viz., Survey Numbers
1. 49 of Bhogavalpur-Vodeyanur village in the Hediya Range
Mysore Division- as a sandal plantation in order to obtain
50% of the value of sandal trees removed from the area. The
District Forest Officer inspected the locality and found a
major part of the area run over by Spike Disease and conse-
quently unfit to be considered a plantation.

Mr. C.S. Krishnaswamy Iyengar then applied for re-
moval of mature dead and spiked trees available in the
area and for payment of bonus on the trees so removed. As
it was ascertained, that the lands in question had been
put up for auction for recovery of land revenue arrears,
resumed to Government and subsequently restored on the

P.T.O.

assurance that the amount due would be paid in yearly instalments, it became necessary to refer the question of payment of bonus to the revenue authorities for an opinion as to how the sale and subsequent restoration affected the title of the party for receipt of sandal bonus.

After protracted correspondence, the Sub Division Officer, Nanjangud in his letter No. A2.C.618-137-38 dated 3rd March 1939 replied that if the occupant was entitled to the bonus prior to resumption of the lands to Government (for default in payment of land revenue), he was as much entitled to the same after restoration without any of his rights having been extinguished.

After receipt of this authoritative interpretation of the effects of the sale, the District Forest Officer authorised the Range Officer to mark trees for removal. The Range Officer marked 209 trees in June 1939, 158 trees in August and October 1939 and 154 trees in May 1941.

Rs.809/- being the bonus value of the 209 trees marked for removal in June 1939, was paid to Mr. C.S. Krishnaswamy Iyengar by cheque in October 1939 after verification with the subsidiary Registers as per rules. Against Rs.610/- due on the 158 trees marked for removal in August and October 1939, Rs.488/- was paid by cheque in June 1940. For payment of the balance, the District Forest Officer applied to this office for condonation of delay, as in the meanwhile, more than three months had elapsed since the transport of sandal trees to the Koti.

When this reference was received from the District Forest Officer, the entire file of records were obtained from the District Forest Officer for verification. On perusal of these records it was observed:-

- i) that the lands were restored to Mr. C. ^{Krishna} ~~Swamy~~ Iyengar, ~~the father of the petitioner~~ as the agent of Mr. Ahmed Sab who was rightful owner.

- ii) that the arrears of land revenue had not been cleared in full.
- iii) that the tenure on which the lands were originally granted had not been ascertained and that the title of the party for sandal bonus had not been proved.

These observations were communicated to the District Forest Officer with instructions to further verify and submit a detailed report. His replies are summarised hereunder:-

- a) Mr. Ahmed Sab who was the occupant at the time the lands were resumed, subsequently sold it to Mr. C. Sreenivasa Iyengar, who in turn apportioned the same to his son Mr. C. S. Krishnaswami Iyengar. In support of this, the copy of the sale deed executed by Mr. Ahmed Sab and extract from the records of Rights are submitted.
- b) There was no requisition from the revenue department for attaching the sandal bonus amount due to him and that therefore it was presumed that there was no objection to the payment to the party.
- c) The lands were in the possession of the applicant or his predecessor in title from a date long prior to 25th March 1909, the date on which the Government Order regarding the grant of lands containing sandal trees for cultivation was issued, and that therefore the occupant is entitled to receive sandal bonus amount.

The explanations of the District Forest Officer could not however be accepted for the following reasons:-

- a) In the extract from the Register of Records of Rights received, it was seen that in the column two names were entered that of Mr. T. Ahmed Sab and of Mr. C. S. Krishnaswami Iyengar. In view of this, it was not clear as to who was the real occupant and therefore entitled to receive sandal bonus.
- b) The interpretation that because there was no communication from the revenue authorities it was presumed that the land revenue arrears had been cleared could not be accepted for obvious reasons. It has since been ascertained that a sum of Rs. 1,873-10-2 is still outstanding. The Amildar, Nanjangud has also requested the District Forest Officer to credit any amount that may be due to Mr. C. S. Krishnaswami Iyengar, for adjustment towards revenue outstandings.
- c) The explanation that because the lands were in possession of the party prior to the issue of Government Order No. 7709/Ft. 13-05-18 dated the 25th March 1909, the occupant is entitled to sandal bonus could not also be accepted, as prior to 1909, lands were granted to individuals under different tenures, the prescriptive rights

Conceded varying according to the nature of the tenures

36

Kind reference is invited to para 148 of the revenue manual in which conditions regarding ^{Grant} ~~part~~ of lands under Hulgaval tenure are prescribed. Grant of lands under these provisions convey no ~~occupancy~~ occupancy rights but merely convey the right of grazing.

In the case of lands granted under the "Shraya tenure" vide para 115 of the Revenue manual, the occupant has a right to trees on assessed lands only if it has been conceded at the time of settlement.

From the above it is obvious, that the title of the party for sandal bonus will not only depend upon possession but also on the nature of the tenure on which the lands came into possession. Unless this point is made clear, the title of Mr.C.S.Krishnaswami Iyengar cannot be construed as having been proved beyond doubt.

That Mr.C.S.Krishnaswami Iyengar was himself in doubt about his claim to sandal bonus will be obvious from the following extract from his letter to the Sub Division Officer, Nanjangud:-

" I may be pardoned for mentioning that your reply to the District Forest Officer merely states that if I was entitled to bonus prior to 1931, when these lands were sold for arrears of land revenue, I am as much entitled to the bonus after the lands were restored. But was I entitled to the bonus prior to 1931".

In these circumstances final instructions were communicated to the District Forest Officer

- i) to obtain an indemnity bond from Mr.C.S. Krishnaswami Iyengar to guard against demands arising from other persons having interest in the estate.
- ii) to ascertain from the Revenue authorities the nature of the tenure on which the lands were originally granted
- iii) to make payments in consultation with the revenue authorities and only if the amount of land revenue in arrears has been cleared in full.

From the foregoing it will be seen that this is a very complicated case. It has been made all the more so by the party, who has withheld some information or other at every stage and has never presented the full facts of the case, necessitating much avoidable correspondence.

The facts of the case were explained in detail when the petitioner called on my Technical Assistant. His assumption that orders favourable to him would be passed was unwarranted. I cannot understand how a man of his status, intelligence and understanding could stoop to impute motives and make unfounded allegations.

The petition received with your reference under reply is herewith resubmitted.

I have the honour to be,
Sir,
Your most obedient servant,

G. S. S. S.

DEWAN'S OFFICE
13 JUN. 1942
M. 143/

Sir,

I own some lands at Bhogwal Wodeyanpur, Hullalli Hobli, Nanjangud Taluq, bearing survey numbers 1 to 49 and 439 to 460, measuring about 1200 acres in all and I am paying an annual assessment of Rs.750/- in respect of the said lands. There are a number of sandal trees in this area.

The range forest officer at Hedeyal removed from my lands some dead sandal trees in February 1941 and carted them to the sandal koti at Mysore, without paying me the bonus due therefor. He failed to send the list of trees removed by him to the District Forest officer, Mysore, for over three months, and consequently when the list was finally received, the District Forest officer was obliged to send the same to the Chief Conservator of Forests in Mysore, Bangalore, for sanction before the bonus could be paid. The matter has stopped there in spite of ever so many reminders sent by me for the payment of the bonus due to me. I even went to Bangalore several times and saw the Technical assistant at the Chief Conservator's office last month to find out what was wrong with my file. He told me that orders would be passed for the payment of the bonus due to me without further delay. I received a letter also a few days later from the Chief Conservator's office intimating that orders had been passed for the payment of the bonus amount to me and that I might approach the District Forest officer, Mysore for further intimation about it. On approaching

the District Forest officer accordingly, I was informed that orders for the payment of the bonus had been received, but that the order had been passed subject to several conditions. I was asked to execute an indemnity bond on stamp paper for the return of the bonus amount in case my title to the lands should prove defective at any time. The Indemnity bond was to be not merely in respect of the amount that had to be paid to me now, but also for the amounts received by me during the previous years. I was further asked to produce a duly authenticated certificate from the ~~the~~ taluq office that I was not in arrears in respect of my kandayam dues to them. This effectively meant that I should spend about Rs.25/- for the stamp paper and waste further time hunting for the required certificate from the Taluk office. I then informed the District forest officer at Mysore that my patience was well nigh exhausted and that whatever was due to me might be forwarded to the amildar of Nanjangud, and that I would settle my accounts with ~~them~~ him. Before he could do this another communication was received from the Chief Conservator's office, saying that the question of the payment of bonus does not arise until the nature of the tenure in which these lands were being enjoyed some 35 years ago was ascertained from the revenue department. The previous order therefore, with all its pin pricks, was delivered as a still born child. *This further enquiry, which is needless under the rules, may well account for the delay of another year at the rate at which matters are hitherto progressing.*

I have satisfied the District Forest officer here about my title to my lands at the time of receiving the bonus amounts previously. I have furnished copies of my title deeds, kandayam receipts, and an extract from the Record of Rights register. With a view to simply delay the matters further, independent references were made to the Revenue Sub-Divisional officer at

Nanjangud, asking ~~me~~ for his opinion. It took him nearly 6 months time to report that I was the owner of these lands and that the lands were in my possession. After this I received the bonus amounts on two occasions in respect of the trees that were then removed. On this the third occasion I am again teased and harassed and there seems to be no end to the delays that are thus wantonly caused. The object or motive behind the obstructive attitude

now pursued by the office of the head of the department, whatever it is, cannot be praiseworthy. *The conditions imposed in the previous order are not warranted by any of the rules in force, nor are they imposed in other instances of payment.*

The Government has laid down elaborate rules specially in the matter ~~of the matter~~ of the payment of the sandal bonus due to ryots, with a view to avoid the least possible delay in payment. The rule says that the bonus amount should be paid even before the trees are removed from the spot, so as to cause the least inconvenience to the ryot. If any enquiry was necessary, it should have been done by the range officer before the trees were removed and as expeditiously as possible. Of what benefit are these rules to the ryot if the officers entrusted with the carrying out of these rules can find loop holes to circumvent them. When a person of my status can be subjected to such continuous harassment what can be the lot of an ordinary ryot. In fairness not only to myself but to the whole ryot population that gets similarly situated sometimes, and in the fair name of the administration, I pray for speedy relief.

I beg to remain, Sir,

Yours faithfully,

C. S. Krishnaswamy Iyengar.

Dear sir,

The Sandalwood bonus due to me from the Conservator of Forests in Bangalore in respect of the dead sandalwood trees removed from my lands at Wodeyanpur, Nanjangud taluk, in 1939 is still due to be paid to me, and it is now five and a half years since the amount should have been paid to me. I addressed several letters to you before in this connection and got your endorsements that the necessary instructions would be issued to settle the question as early as possible, but still nothing is done.

Is it too much to expect that the matter would be settled one way or the other at least at this late stage.

Yours truly,

C.S. Krishnaswamy
Iyengar.

With reference to your D.O. No. A.F. 1710/dated 20-11-44 on the above subject, I have the honour to state that the final reply in the matter due to the District Forest Officer, Mysore, has been sent to him with this Office No. D6-1160/42-43 dated 30-5-1944. A copy of the same is enclosed herewith* for information.

Letter No. D6-1160/42-43 dated 30-5-44 from the Deputy Commissioner, Mysore District, to the District Forest Officer, Mysore.

Subject:- Claim of Mr. C.S. Krishnaswami Iyengar, B.A.LL.B., Advocate to Sandal Bonus.

With reference to correspondence ending with your letter No. A1-7-223 40 dated 22nd Feb. 44 regarding the nature of tenure of certain lands in Bhogavalavodayanpur village, Nanjangud Taluk and Yadavanahalli village, Gundlupet Taluk held by Mr. Krishnaswami Iyengar, I have the honour to state that it has been disclosed from the reports No. A3-57/42-43 dated 7-11-42 and 18-1-43 respectively of the Sub Division officer, Nanjangud Sub Division that the lands in Yadavanahalli village were granted prior to the year 1891-92 on Sharaya tenure to the then grantees and that the survey Nos. of Bhogavalavodayanapura village, Nanjangud Taluk, were held by the then occupants under ~~taxable~~ ordinary tenure. The lands in question have changed hands several times since then and the present holder holds them under ordinary tenure at present. It is seen from the reports of the Amildar of the respective taluks that the original darkast records and the Darlast registers have been destroyed from which the Superintendent of land records has stated in his No. GR 65 dated 10th August 1943 it can be concluded that the lands were held under the ordinary tenure by the respective holders, I am in these circumstances of the opinion that it must be taken for granted that the lands in question were held by the holders prior to the promulgation of G.O. No R. 7699-708/T. 13-05-17 dated 25th March 1909. As it is not noted in any of the records of either the survey or the Revenue Departments that any rights have been reserved to Government the present holder of the lands is entitled to the sandal bonus.

It is seen from the records that a sum of Rs. 22-3-0 which is the realisation of the minor Forest produce of Yadavanahalli in Gundlupet Taluk for the year 1930-31, has been credited to the forest department and request that this amount may be kindly arranged to be refunded for necessary transfer

adjustment by me to land revenue arrears due from Mr. Krishnaswami Iyengar.

The two files of records are also sent herewith.

With reference to your letter No. AF. 2377/Ft. 271-42
dated 2nd instant on the above subject, I have the honour
to forward herewith a copy of letter No. 795 dated 26th
ultimo received from the District Forest Officer, Mysore
Division, as also that of its enclosure, from which it may
be kindly seen that in full settlement of the claim of
Mr. Krishnaswamy Iyengar, a sum of Rs. 405-8-0 has been
paid to him and that no further amount is due to him as
also stated by him in his letter dated 16th idem addressed
to the said District Forest Officer.

I have the honour to be,
Sir,

Your most obedient servant,

Copy of letter No. 795 dated 26-12-44 from the District Forest Officer, Mysore, to the Chief Conservator of Forests in Mysore, Bangalore.

Re:- Payment of Sandal Bonus to Mr. C.S. Krishnaswamy Iyengar, B.A., B.L., Advocate, Mysore.

With reference to your docket No. A1-7-223/40 dated the 17th ultimo regarding the above mentioned subject, I have the honour to state that the Sandal bonus of Rs.405-8-0 has been paid to Mr. C.S. Krishnaswamy Iyengar - the Claimant through cheque No.24/23 dated 20-12-44 on Mysore District Treasury and the same will be adjusted in the accounts of the current month.

2. As regards the point raised in para 2 of your docket under reply, I beg to state that the above amount was due to the claimant on account of the extraction of Sandal trees from S.Nos.1 - 49 of Bhogwal Odeyanpur Village, Nanjangud Taluk only and no amount is due to him in respect of Sandal trees of S.No. 439 to 460 of Yedavanahalli village, Gundlupet Taluk. Mr. C.S. Krishnaswamy Iyengar too has accepted this fact in his letter dated 16-12-44, a copy of which is herein enclosed, stating that the Sandal bonus amount due to him was only in respect of Sandal trees removed from S.Nos.1 - 49 of Bhogwal Odeyanpur village, that the inclusion of S.No. 439 to 460 of Yedavanahalli village, Gundlupet Taluk also is

in the legal notice issued by his Lawyer is a mistake. As such no further action in this behalf is necessary. The bonus amount now paid to him finally settles the party's claim to Sandal bonus for trees so far removed from his holdings.

Copy of letter dated 16-12-44 from Mr. C.S. Krishnaswamy Iyengar, B.A., B.L., Advocate, Mysore, to the District Forest Officer, Mysore.

I thank you for your kind letter of the 13th instant.

With reference to the point raised in the first para of your letter, I accept your correction that the Sandal bonus due to me is only in respect of the trees removed from my lands at Bhogwal Odyanpur, Hullahalli Hobli, Nanjanad Taluk S.Nos. 1 to 49 and that the bonus amount due to me in respect of the lands at Yedavanahalli, Gundlupet Taluk for the Sandal trees removed therefrom has already been paid to me. I regret the error in the notice issued on my behalf by my Lawyer Mr. S.R. Sampath Iyengar, B.A., LL.B., to the Chief ~~Exec~~ Secretary to the Government of Mysore, Bangalore.

I see from the last para of your letter that I am asked to receive payment of the bonus amount of Rs.405-8-0 from the Forest Sub Division Officer, Chamarajanagar. As personally requested by me this day, I request you to kindly arrange for the payment being made at Mysore as that will be more convenient to me. Thanking you and with due respects.

Chief Conservator of Forests.

Sir,

RE:- Payment of sandal bonus to Mr. C.S. Krishnaswamy
Iyengar, B.A., B.L., Advocate, Mysore.

With reference to your letter No. A.F. 2046/Ft. dated the 8th instant on the above subject, enquiring whether the question has since been settled, I have the honour to state that the District Forest Officer, Mysore Division, having recommended in his letter No. 479 dated 24th ultimo that a sum of Rs. 405-8-0 (Rs. Four hundred and five and annas eight) only may be ordered to be paid to the claimant in respect of 275 sandal trees extracted from Survey Numbers 1 to 49 of Bhagalwal Wade-Yanapur village, Nanjangud Taluk, he has been instructed in my letter No. A1.7-223/40 dated the 17th instant that the said amount may be paid very early.

From the file of correspondence on the subject it is seen that the claim of the party is in respect of sandal trees extracted from two villages i.e., Bhagalwal Wodeyanapur, Nanjangud Taluk and Yedivinahalli, Gundlupet Taluk. But as the District Forest Officer's recommendation made in his letter No. 479 dated 24th ultimo referred only to the trees extracted from the lands in the first named village, he has been asked to submit a further report as to how the party's claim relating to the sandal trees extracted from his lands in Yedivinahalli has been or is proposed

to be dealt with. On receipt of his report, this matter
will be looked into and settled.
